Subject — Acquisition of S Nos 124,125,126,127,128,129,130 and 131 of Tumkur Kasaba village

Sir

With reference to your memo No A 2 L A 86 of 46-47 calling for certain particulars regarding the acquisition of the above properties, I have the honour to state as follows

Regarding point (1) and (2) as to why such a large area as 14 acres and 35 guntas is required for mere sanitation purposes, I am to state that the above survey numbers are situated in the middle of the town as could be seen from the enclosed sketch and any cultivation of these lands would not only breed mosquitoes but also pervade the whole area insanitation. In view of the above circumstance, the Municipal Council have resolved that the survey numbers in question may be converted into sites after acquisition and made available to those who are in need of the same to put up buildings and thus avoid congestion in the area round about. I may further add that S No 134,135 and 136 were acquired long back and disposed of as sites for construction of Mandies etc, as per plan approved by the Government Architect

Subject Acquisition of S No 124, 125, 126, 127, 128, 129, 130 and 131 of - - Tumkur Kasaba village for town improvement

---

With reference to your letter No L 17620/ W R dated 28-6-47 calling for ~~xxix~~ certain particulars on the above subject, I have the honour to state that the Municipal President in his letter dated 8th July 47 states that the lands in question are situated in the middle of the town and as such it would effect the seni- -tation if they are cultivated In view of this it - seems the proposal for acquiring the above lands for forming building sites is quite reasonalbe This would not only serve the needs of the people but also avoid conjestion in the area round about As regards fourth point I am to state that the S Nos 134, 135 and 136 - have been disposed of sites after acquiring the same long ago I therefore request that the acquisition of the entire extent proposed may kindly be sanctioned
